NOTE FOR FILE

SUBJECT: Request for Briefing

Representative Glenn Anderson (D., CA) recently called requesting a briefing on Soviet Covert Action. I explained to the Congressman's staffer (Dave Herring) that we are involved in preparing a briefing on the same subject (Soviet Active Measures) for HPSCI and that because of the sensitivities we limit such briefings to our Oversight Committees. I opined that Mr. Anderson may wish to check with Chairman Boland after the HPSCI briefing.
